EL PASO TOWNSHIP HIGH SCHOOL

For some time, the only schools in El Paso had been the two grade schools, McKinley and Jefferson Park. However, in the year 1915, the people voted for a township high school. Since there was no high school building, classes were held in any

building or room that was found suitable. Some classes were held in the McKinley grade school, some in the Jefferson Park, and others were even held in vacant rooms in the business district.

This continued until 1920-21 when a high school was erected on the northern edge of El Paso, at a cost of \$372,186.30. In 1922 the first class of the high school graduated. In 1929, because of the need of a shop for the agriculture classes, the farm shop, located at the northwest corner of the school, was built at a cost of \$3,000. In 1938 another \$30,772 was spent for the completion of the swimming pool, repairing the roof, improving the drive, and building the turning circle.

This leads us to our high school of the present day. Everyone—the students, faculty, and citizens of the community—are very proud of our school, with its modern buildings, large green lawns, shrubbery, and trees, the turning circle, the drive around the school, the football field and track, and many other facilities that the school has.

In the principal's office hang three certificates. One is a certificate stating that El Paso Township High School is recognized by the State of Illinois, another shows it is accredited by the University of Illinois, and the third states that it is a member of the North Central Association of Schools.

ADMINISTRATION

GREETINGS:

Graduates, Friends, Men and Women in Our Country's Service, Youth of El Paso and Vicinity:

If in the mellow glow of life's evening light, when the grains of sand are pouring slowly through the glass of time, or in a moment of leisure in a busy, vibrant, money or war mad world, this book shall enable you to draw back the curtain of intervening years and see again our El Paso Township High School and feel again its joys and friendships, then the efforts of the 1944 Cometeer will not have been in vain.

Please accept these, our greetings and our thanks, and share our hopes that these joys of our youth may live again and again through this, our 1944 yearbook.

SENIORS . . . Class Rings - Farewells - Diplomas

In the fall of 1940, 48 new enlistees of the camp of E.T.H.S. were accepted by twelve commanding officers. These new recruits soon finished maneuvers (initiation) and chose their company leaders: Sgt. John Malcom, Cpl. Ray Shoemaker, and Pfc. Bill Kilpatrick. Tinker O'Connor was chosen to represent the group on the Camp Council. The C. O. in charge of this platoon was Lt. Snyder.

After having completed basic training, the platoon was shipped to Camp Sophomore. Here they became well known for their leadership. The leaders of these candidates were Sgt. John Malcom, Cpl. Leslie Hibbs, Pfc. Bill Kilpatrick, and Camp Council Member Tinker O'Connor. They passed their final aptitude and mental tests and were ready to be shipped out to Fort Junior. They bid farewell to Lt. Too-hill, their superior officer, and marched out of Camp Sophomore with a fleeting backward glance at the new batch of fledglings.

At Fort Junior these candidates were soon engrossed in the task of earning money for the annual mess, the Promenade. They staged "Campus Quarantine," directed by WAC Officer Marian Tendick, and also fed the hungry crowds at the local games. On May 14, 1944, they donned their dress uniforms and gave a Hawaiian

Luao for the departing graduates. Leaders that year were John Malcom, Esther Allison, Tinker O'Connor, Mary Rita Barclay, and Gene Steffen.

Privates Jarvis, Woefle, Monahan, Hibbs, Woosley, and Mayes were among those given transfers to other camps.

Thirty-four advanced candidates entered Senior Field. Before graduation Ray Baker left camp and Gene Williamson was transferred to an Eastern fort; LeRoy Pinkham and Bill Kirkton were called to active duty, making a total of five from the 44th platoon who were in khaki and navy blue—Bill Kilpatrick, Lloyd Patterson and Leslie Hibbs having entered the Navy sometime before. In the spring, the annual supper-dance given by the junior officers, and "A Mind of Her Own," under the direction of Senior Officer Tendick, were highlights of camp life.

The company received their bars on May 25th. The departing officers of the platoon were Gene Steffen, John Malcom, Jerry Pfister, Mary Rita Barclay and Lyle McWilliams; Major Bowers very ably guided his class to victory.

We are sure each and every one of the 44th platoon will find his place in the world and make a success of it just as he did his training in the army of E.T.H.S.

SENIOR CLASS PROPHECY

My friends, we are gathered here today to witness the launching of a ship and also to renew friendships of days past. Here, over the azure waters of Panola Hole, with a background of weeds, mud and the water tower, I, Mr. Stephen Claggett, present principal of E.T.H.S., gaze upon the smiling faces of the Senior Class of 1944. I think of you as the ones who used to tease me when I came out to school at 3:30. To-day I am proud to have with us all you celebrities who have really become famous in the world.

June Johnson voted "Miss Panola Hole of 1959" by all of Panola's 23 inhabitants, will christen the ship MARS DOATS at the launching with Eau de Galore Perfume.

Lyle McWilliams has stopped off for a few hours with his all-girl rhythm band and will entertain us with a bit of boogie-woogie on the tonette.

Although we have a few entertainers, we also have many people who are now famous in other phases of life.

Norma Campbell has just won the Pulitzer Prize for her book, "A Tavern Grows in Kappa!"; her first book was "The Germs You Get in a Kiss."

Anne Burster, the famed flutist, postponed a concert in which she was co-starred with Pagannini, to attend this reunion and favor us with her own arrangement of "Three Blind Mice." She is the champion flutist in the world, playing with mittens on her hands.

Paul Cox appears regularly as one of the quiz kids. Since he lost all his teeth in a taffy-eating contest he talks like a six-year-old who has lost his baby teeth.

Barbara Hany, the radio singer on station CORN, has decided to accept a movie contract. Reta Zehr designs all her gowns. Reta has become famous for her new drape shape. The slogan of her shoppe is "A drape for your shape with no red tape."

Mary Rita Barclay has just composed her own arrangement of "The Poet's and the Pheasant's Overshoes," which she will play after giving her own rendition of "Anchors and Whey" in honor of the occasion.

Duane Rice has finally come into his own as an orator. He won a contest last month because he could talk longer than anyone else without saying anything.

That charming couple, Wilbur Hartman, and his lovely wife, the former Miss Agnes Roberts, have become quite noted as the proud parents of quintuplets. The cocker spaniel given to them by Grandpa Snyder gave birth to five puppies.

John Malcom, the famous comedian, just returned from touring Europe to perform for royalty. He returned much sooner than he expected. It seems he put a thumb tack on the throne of a Bulgarian king as a practical joke.

Since Frank Sinatra ruined his sweet tenor voice by singing "Speak Low" too much and changing it to bass, Edson Dressler has taken over his program, bobby socks and all. Do the girls swoon!!

Dorothy Geeding, a member of the Women's Crusaders, is now crusading for bigger and better mail boxes. Her co-worker is Marilyn Shaffer, who has designed postage stamps in six delicious flavors.

Art Cooper has revolutionized the stocking world with his new leg paint. The leg paint is mixed with Sterno. Keeps your legs warm in cold weather. Miss Elaine Lampe travels with him for demonstration purposes.

That famous chemistry sleuth, Esther Allison, has just discovered a new process for making kleenex out of old exam papers.

Senator Willis Kirkton has just added the 22nd amendment to the Constitution, "The Rights of the Married Man."

Gene Steffen, when not working in his pogo stick factory works for Walt Disney. He models for "Superman Meets the Wolf Girl." The Wolf Girl is the former Lois Wadsworth.

Elizabeth Coyle is now a real celebrity in the theatrical world. Her stage name is Lizzy Belle and she recently starred in "For Whom the Belles Toil."

Dean and Dale Fever are becoming quite well educated and expect to advance in digging flower beds. They have been attending a large number of schools, the latest being "Madame Lombi's Rhumba School."

Mary K. Pfister is a soprano in the Metropolitan Opera Company. Her aria in the "Merchant of Venice" will be "Super Suds" or "It All Comes Out in the Wash."

- I, Eileen Mool, leave my jitterbug dancing ability to Kitty Lou Eastman.
- I, Lois Wadsworth, leave my cornet—period!
- I, Reta Zehr, leave my dependability to future committee chairmen.
- I, Dorothy Yambert, leave my name—someone will put it down in history.
- I, Jerry Pfister, leave my ability to go around a corner on 1½ wheels to Gene Savoie, who can only do it on 2—so far.
- I, Lyle McWilliams, leave my ability to get kicked out of study hall to Ken Burroughs, who runs a close second.
- I, John Oltman, leave Joan Pierce in care of John Everett, but be careful, Johnny.
- I, Duane Rice, leave my "little black book" (minus a few prospects) to Claire Lyons.
- I, John Malcom, leave my presidencies to Bill Tipler.
- I, Agnes Roberts, leave my shorthand speed to Margaret Fenton.
- I, Gene Steffen, leave a trail of broken hearts behind me.

Witnessed by

Mary Rita Barclay.

Tinker O'Connor.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this twenty-fifth day of May, A. D. 1944.

As Sophomores, fifty-six enrolled and we carried on as usual, buying war stamps every week—having two parties, a hay ride and a sledding party.

Byron Donze was president; Fredonna Bishop, vice-president; Delora North, secretary-treasurer. Ruth Stotler, our student council member, was a hold-over and Miss Salmon was our sponsor again.

We began school on Sept. 3, with an enrollment of 68 happy Freshmen. Of course we had to suffer the Initiation Day arranged by the upperclasses—but everyone had a hilarious time, and by the looks of it, we all pulled out of it all right! Our first party was a hobo picnic in Duncan's timber. We had a skating party at the rink in Bloomington on Friday, April 14th. Everyone enjoyed it very much, and to Mr. Snyder's surprise, we looked pretty good the following Monday. During the year our class has bought war stamps continually, to help Uncle Sam and our fighting men.

The E.T.H.S. footballers won five and lost two games during the 1943 season. Seven lettermen reported for practice in September and formed the nucleus for the starting eleven. All eleven men stood out in each game and no one boy could be called the star.

Kirkton, Malcom, Lindsey and Gordon made a formidable backfield for all opponents. Jim Davis was a standout at center and Gaines, Hartman, McWilliams and Cox were tough linemen.

The climax of the season was the defeat of Eureka, 6-0, Armistice Day. This was their first defeat in 18 games and first El Paso win over Eureka since 1938. With a few breaks in the two games they lost, E.T.H.S. would have had an undefeated season.

1943-44 was a building year in basketball at El Paso. With little experience on hand, Coach Bowers started the season with three seniors: Lyle McWilliams, John Malcom and Wilbur Hartman. The remainder of the squad were underclassmen. These three seniors and Don Gordon, Monte Lindsey, Bill Poorbaugh, Bill Nohren, and Lloyd Raber gave some mighty fine accounts of themselves during the latter part of the season.

The second team made up of underclassmen played five ball games all season, winning their share of games and improving all the way.

The Frosh-Soph team, playing together for the first time after the regular season ended, participated in an eight-team invitational tourney at Lexington and came home with the second place trophy.

In the inter-class tourney the Sophomores defeated the Juniors 22 to 19 in the championship game after a torrid battle. Prospects are exceptionally bright for the future at El Paso.

Mr. Bowers, Donnie Bowers, Lloyd Raber, Bill Nohren, Don Gordon, John Malcom, Kenneth Burroughs, Monte Lindsey, Lyle McWilliams, Jim Corbitt, Wilbur Hartman, Bill Poorbaugh.

FRESHMAN-SOPHOMORE TEAM

First row: Bill Burroughs, Lloyd Raber, Byron Donze, Bill Poorbaugh, Bill Nohren, Kaywin Burroughs.

Second row: Bill Davis, Mr. Bowers, Walter Pfister.

TRACK

Coach Bowers' track squad, though hampered by bad weather, have been working diligently and were successful in trimming Eureka (always tough) in their first meet 60 to 59. The loss of Bill Kirkton to the armed services following the first meet will sorely be felt. There are some promising underclassmen out and opponents are going to find El Paso hard to beat.

BASEBALL

El Paso boys welcomed the revival of baseball this spring, and any lack of experience is most certainly being made up for in spirit. Coach Ferguson's boys have played but one game to date against an experienced Washburn team, and were defeated 9 to 0. With a little experience these fellows will make it tough for the opposition.

PHYSICAL FITNESS IS ESSENTIAL

In addition to a complete schedule of inter-scholastic sports, each boy not out for varsity sports is required to take physical education five days a week. The P. E. program is divided into three divisions including outdoor, indoor, and swimming pool activities.

The outdoor program is carried on in the fall and spring and generally consists of ten minutes of calisthenic exercise each day and fifteen minutes of marching two or three days a week. The

boys run long distances in Indian file and participate in competitive sports such as touch football and soccer.

In the gymnasium provision is made for several additional activities such as rope climbing, obstacle courses, wrestling, boxing, and basketball. The boys also make good use of the swimming pool.

A physical fitness test has been set up including tests for speed, endurance and ability.

Rah! Rah! Rah! Rah! Rah!

Five big loud cheers for El Paso High School's spirit this year. Our new cheer leaders, elected by student body vote, really had them yelling the roof off.

Dime Dances were a big success and we were able to raise enough money to purchase new cheer leader uniforms for next year. The dances were held in the gymnasium after basketball games.

Don't lose any of your pep over the vacation. We'll be counting on your loyal support again next year.

GIRLS - GIRLS - GIRLS - G.A.A.

G.A.A. PROGRAM INCLUDES—HIKES—CAMP—BANQUET

Keeping in tune with the times, the G.A.A. started the year with a hike to Kirby's home for a wiener roast. Each old member invited a girl who wished to join. This year we have 50 active members.

This year the G.A.A. will send two members from the group to East Bay Camp at Bloomington. The girls sponsored the show "Forever and a Day" at the local theater to obtain the money.

November 18th the annual football banquet was held in the high school. The entire squad, coach, faculty, and members attended. There were 72 present and it was a big success.

The organization has had various other parties and socials throughout the year and in general has had a successful year.

COUNCILS — Student and Victory

The STUDENT COUNCIL of 1943-44 sponsored the annual Homecoming for E.T.H.S. students and alumni. They also sponsored three dances, which were held after basketball games to further a fund to purchase uniforms for the cheer leaders.

The Council, under the guidance of Miss Salmon as faculty adviser, arranged other activities including the all-school parties, the purchase of records for the victrola for noon dancing, securing movie films to be shown in assembly meetings, and the dancing classes held at noon, to teach bashful boys and girls to dance.

Council members have also always been on hand to assist during sports events and other programs held at the school.

The VICTORY COUNCIL has not been idle while the Student Council worked. This Council, with the aid of faculty members, Miss Cloney, Miss Salmon, and Mr. Ferguson, sponsored a War Bond Rally in an assembly meeting during which a skit was given by members of the Council. Members also presented a patriotic assembly—a tableau was given portraying the different eras and the American way of life. The programs were given to encourage and to stress the buying of war stamps and bonds.

A 100% Stamp Drive as a contest between classes was carried out with great success.

ETHS STAFFS WORK HARD

Our COMETEER staff, in the hope of bringing the boys a little close to home, has tried to include in our book things that will be of interest to our fighting friends. We have dedicated our book to the boys in service and with the cooperation of the townspeople we have sent an annual to each boy in the service who graduated from E.T.H.S. in the past four years.

The E.T.H.S. REPORTER has had a busy year also. We have tried to include articles in our paper of special interest to the boys in the service, as we have been sending copies to the boys who are former students.

As usual we have challenged the Juniors to see if they can produce a better paper than ours.

A SCHOOL OF WILLING WORKERS

The HOME EC CLUB initiated sixteen new members at a candlelight service last fall. Rally day at Minonk was attended by twelve members of the local club, and one of our members, Delora North, was elected president of the district.

The St. Patrick's Day tea in honor of the girls' mothers, was a gay social highlight of the season.

Members of the F.F.A. met on the first Friday of each month throughout the year. At the first meeting the boys pledged themselves to help in the war effort by buying war stamps and bonds at the school booth and by helping in numerous other ways.

Miss Tendick

"EARLY TO BED — EARLY TO RISE"

On December 3rd, the Junior class presented its annual play.

The play, centered around the lives of the Fuller family, their problems and romances—and their life above the pet shop. Spanky, who is determined to marry Bobbie, and Jim who causes Marion some bad moments, add to the excitement of the story. Mr. Kirtchmeir, the pet shop owner, and Mr. Conkle, the flustered landlord, engage in much conversation—both amusing and sad.

The play, which was directed by Miss Tendick, was well received by a large audience.

"A MIND OF HER OWN"

The Senior class, under the direction of Miss Tendick, presented a three-act comedy on April 28th. Originality of plot and skill of character portrayal provided an evening of delightful entertainment.

Bunny's efforts to imitate everybody land the family in trouble that would be serious if it weren't so funny. A guest arrives who is important to a big deal Dad wants—at the same time Jessica comes posing as a woman of the world at the age of eighteen. Bunny tries to imitate Jessica, never dreaming that Jessica is after Steve. Tommie and Nettie plan to get rid of Jessica but all the tricks are played on Dad's important guest by mistake!

This last production of the Seniors met with great response from the community.

MUSIC FILLS AIR AS BAND, CHORUSES AND QUARTETTE PERFORM

Music activities of the year all under the direction of Miss Vivian Gibbs were many and varied. The assembly program "America Sings" was a pantomime with continuous background music by the choruses. A Christmas carol sing preceded by a program by the choruses put everyone into the Christmas spirit.

The girls' chorus of seventy was accompanied by Kathleen Barclay, the boys' chorus of twenty-five by Anne Burster, and the mixed chorus by Mary Rita Barclay.

The girls' quartet, Barbara Cryer, Mary Rita Barclay, Joan Cleary, and Anne Burster, appeared on programs at school and

for local social affairs as did the girl's trio, Barbara Cryer, Ruth Stotler, and Kathleen Barclay.

The band of thirty members played and marched at football and basketball games. At one basketball game the large flag was unfurled in the spotlight as the band played "The Star Spangled Banner." The three baton twirlers, Sharon Oltman, Joan Everett, and Joan Wollenschlager, performed at the games. The band led the Halloween parade held uptown.

Several girls are taking part in the district music contest in Peoria.

Both the choruses and the band will give spring concerts.

JUNIOR RED CROSS MEMBERS MAKE AFGHAN, HOSPITAL AIDS

One of the many activities in our high school this past year which deserves attention and space in our yearbook is the Junior Red Cross. Its members have worked diligently on numerous projects.

The girls, under the splendid supervision of Miss Miles, have made a serviceable woolen afghan measuring 48x76 inches, which will be used in some hospital. In addition to the afghan, the girls have made five complete layettes. Each layette consists of twenty-three articles of infant clothing.

The boys, directed very ably by Mr. Bowers, have contributed materially to the year's output of hospital needs. Lewis Wessel and Alvin Vogel each made a folding bedside table, and Walton Volz made a reading rack.

Whenever the need has arisen and whatever the need has been, the El Paso Junior Red Cross has been right there ready to do its bit.

SENIOR CLASS PROPHECY

(Continued from page 14)

Tinker O'Connor and Eileen Mool are making money hand over feet in the theater. They are hired by the El Paso Theater to pry the gum off the bottoms of the seats on Wednesday nights.

Miss Dorothy Yambert just returned from Paris, France, where she is employed as a cabaret dancer. Her number is called "The Dance of the Five Veils."

We regret very much that Jerry Pfister is not able to attend the reunion and

launching. He is in Hawaii growing corn silks for the native girls' hula skirts.

John Oltman is now a famous magician. He has just perfected the feat of making his customers' money disappear. He is becoming quite prosperous, too.

Now that everyone has been introduced, we will take a cruise on the limpid waters of Panola Hole and as we do so, we say "Aloha" till we meet again in 1999, if we must come on crutches or in wheel chairs, AND if we can pool our old age pension money and be here.
